

Treasure Island Media - DAMAGED GOODS - Scene Descriptions

I team up with NICK MORETTI for a first-ever grand experiment, bringing together legendary stud BRAD MCGUIRE, ANTONIO BIAGGI, CHAD BROCK, MORGAN BLACK, and others, to push each other's boundaries, create memorable torment, and spread plenty of seed. Get yourself ready for some twisted shit.

- Paul Morris

Scene 1 – “Damaged” Starring Brad McGuire, Nick Moretti and Rowdy McBeal

When it comes to hole-destroying tops, look no further than TIM Exclusive BRAD MCGUIRE, who is tapped by NICK MORETTI to help tag-team submissive slut ROWDY MCBEAL. They beat ROWDY without mercy, nearly breaking his jaw. He's face-fucked, pounded on, spit on, and stuffed at both ends, yet he begs for more. The studs give it to him, dumping their loads into his brutalized hole. The sweaty beat-down leaves ROWDY bound on the floor, bleeding, and damaged.

Scene 2 – “Ten Sir” – Starring Antonio Biaggi and Patrick O'Connor

ANTONIO BIAGGI takes control of PATRICK O'CONNOR, delivering ten ass-bruising smacks that have PATRICK in tears. The fuck-toy then endures ANTONIO's scalding hot wax torment. Each blistering drop makes PATRICK tremble, his balls encased and swollen from the searing heat. Nearly ready to blow, ANTONIO dives into PATRICK's ass balls-deep, his fat nuts slapping hard and fast against PATRICK's hole until ANTONIO drops his load.

Scene 3 – “Farm Boy” – Starring Nick Moretti and Tyson James

NICK MORETTI is just the guy to abuse naive farm boy TYSON JAMES. From their first encounter, NICK treats TYSON like crap, verbally abusing and slapping him roughly. I can see that NICK is in no mood to play. He really hurts Tyson.

But it's nothing compared to NICK's punishing fuck stick. TYSON's smooth hole is stuffed and stretched as NICK pounds him relentlessly, dumping a thick load into the Ohio farmboy's busted-up guts.

Scene 4 – “Bullworked” – Starring Ed Hunter and Patrick O'Connor

Manhulk ED HUNTER slaps, punches, bites and steps on PATRICK until the sub is marked up, hurting, and ready to serve. After skull-fucking PATRICK, ED squats on the sub's face, his massive ass cheeks smother PATRICK completely. Having worshiped ED's ripe hole, PATRICK is finally worthy of ED's dripping cock. The beefy stud easily tosses PATRICK into a sling and drills him hard until they're both spent, and a little broken.

Scene 5 – “Compromised” – starring Chad Brock and Morgan Black

MORGAN BLACK helps CHAD BROCK realize a few twisted fantasies. He tortures CHAD's nutsack mercilessly and inflicts scorching pain on the stud's torso. And if that's not enough, CHAD is immobilized and wrapped head-to-toe in plastic as MORGAN tears into his ass and fucks him like a rag doll. They finish in familiar territory for both men, banging away with CHAD shackled to a sling and MORGAN loading his hole with fresh sperm.
