PAUL MORRIS | TREASURE ISLAND MEDIA PRESENTS sexpigs in a man-tramp promised land

Paul Morris' all-new bareback movie is here.

For the first time in human history, there's no reason why all men shouldn't be fucking all the goddamn time.

- We don't need babies anymore—there are way-the-fuck too many as it is!
- We don't need for men to work constantly—automation and computers are making our labor redundant and unnecessary. Fuck yeah!

The great question facing men is this: what do we fuckin' do with all the free time?

I say TAKE YER BLOATED DRIPPIN' DICK IN HAND AND LET IT LEAD YOU TO A MANSLUT PROMISED LAND!

And—*surprise!*—my new video opus will help you find your way. Gentlemen, I give you [SEXPIGS IN A MAN-TRAMP PROMISED LAND!](#) Come 'n' get it!

First stop: Daddy Cream lays cum-craving man-tramp Giovanni Summers on the floor and pounds his willing ass till the bottom-man nearly expires. Just like God intended.

Second stop: Chase Acland and Zack Acland double-team a good boy named Pup Vino, filling both of his happy holes with their cream-filled milk bones.

Third Stop: Proud Poz-Loader Alex Hammer fists and fucks ever-willing cock-serviceman Matt Wylde. Matt's eyes roll back in his head - the lights are on, but no one's home as he's reamed into that special place o' bliss: dickvana.

Fourth stop: Daddy Cream's testosterone-dripping chahunga noses its way deep into the fine firm fuckadelic fanny of jizz-junkie Trelino. Daddy Cream fucks like a mad walrus in heat, and lucky-fucky Trelino bounces and bucks that jouncing muscle-butt 'til he earns Daddy's payload-o-sperm deep in his guts.

Fifth stop—PARADISE! All in one and one in all! 18 men of all shapes, sizes, and desires, fuckin' and suckin' with no rules and a flood of jizz and bonhomie! Ya got tall men, short men, muscle dogs, lean-as-bone fuckers; ya got big cocks, hungry bungs, men-impregnators and holes that need to stockpile sperm for the winter. I call this scene The Happiest Place on Earth™ and you'll know fuckin' why when you get a gander at th' fun.

Sixth stop: Chill-out time! Dick Savvy gives Matt Wylde's head a pre-fuck shave. The second Dick's finished, he puts Matt in the sling. Born again, the cock servant is baptized with a good old-fashioned, legs-up deep-breeding... and that's how we grow em, here at TIM.

Come on aboard, matey. This video's your ticket to the place you've believed in and dreamed of all your life. Join in and be on of the SEXPIGS in a MAN-TRAMP PROMISED LAND!
