

PRESS RELEASE

PAUL MORRIS | TREASURE ISLAND MEDIA PRESENTS FUCK ME, BRO!

Up in Portland, TIM's manfucker exploits continue with a brand new 9-scene nut-busting bonanza, complete with TIM exclusive Chase Parker's very first gangbang in [Fuck Me, Bro!](#)

Peyton Chrimata drives from Seattle to Portland *just* to get a taste of renowned top man Topher DiMaggio. He leaves happy and full of Topher's jizz.

Cesar Xes **loves** to fuck. He bends muscle-bottom Jasper Jones over the couch and dumps a big load deep inside.

Allen Cox - 18 and fresh out of high school - makes his porn debut fucking Julian D'Marco's fat cock like a pro! Julian chokes the willing boy -- gotta test those limits! -- and rump-pummels him hard and deep.

What happens in Vegas.... always ends up on the internet. Chase Parker gets his Vegas gangbang wish granted, his well-tuned and hungry ass milking loads from Topher DiMaggio, Parker Logan, Drew Dixon, Mason Lear, and Joey Wagner. But Vegas being Vegas, Chase wanted even more. Luckily Daddy Cream was boned and ready to load that hole up all over again.

Next up, another innocent 18 year old, Jaylen Robinson demonstrates the confidence of youth when he takes on Ray Diesel's Anaconda Cock™. We reckon this teenager overestimated the stretchability of his baby hole.... but the barely-legal boy grits his teeth, and bravely takes Ray's 10 inch pipe all the way to th' balls! Someone get the Polaroid, because baby's first gape left him **drooling**.

Rounding out *Fuck Me, Bro!* are Portland natives Max Ferro and Vincent Valentine fucking up a storm, extraordibear Scotty Rage with the always-ready Diego Tovar, and a toe-curlingly hot fuck with Canadian pair Hamedd Raid and Rogue Status.
